

Small Animal Internal Medicine specialist in Alicante - Eastern of Spain

Hospital Veterinario Marina Baja - Centro Veterinario de Diagnóstico por Imagen de Levante is seeking a Small Animal Internal Medicine specialist to be head of service. The successful candidate will be either boarded (ECVIM/ACVIM) or board eligible. Hospital Veterinario Marina Baja is a multidisciplinary referral hospital offering specialist services in diagnostic imaging (including 1.5 Tesla MRI, CT scanner, ultrasonography and fluoroscopy), cardiology, endoscopy and minimally invasive surgery, orthopaedic and soft tissue surgery and neurology. The referral hospital is a modern, state-of-the-art hospital with a wide range of equipment.

The candidate interested in this position should be available in helping our interns, helping out the nursing team and being part of the cohesive team. The candidate should speak Spanish or can commit to learn Spanish. We offer a highly competitive salary and 4 weeks annual leave, 14 days for your own CPD or to be lecturer in conference and private healthcare, including family cover.

The location is in **Alfaz del Pi**, Alicante in eastern Spain, on the Mediterranean coast. The region of the Marina Baja is coastal, very mountainous and with ideal climatology. It is a region known for its wide range of tourism, culture and sports. Alicante is only 45 km away with international airport and connection to Madrid by high speed train. Another airport in Valencia only 1 hour 15 min by car.

In Alfaz del Pi there live people of over 50 different nationalities. More than a half of all foreign residents are citizens of Great Britain, Holland and Scandinavian countries. It's interesting to note that Alfaz del Pi has the largest residential community of Norwegian speakers in the world after Norway itself.

If you are interested in applying for this position, please forward your CV and covering letter, stating why you are interested in this role.
